

Dogs on Springs Camp

- Dogs are not allowed on any Keswick Convention site (assistance dogs excepted).
- Springs Camp welcomes well behaved and well controlled dogs.
- BUT please remember that not everyone at camp may be dog lovers and some may have allergies.
- Owners must give a mobile phone number when arriving at camp.
- We charge £15 per week per dog payable at arrival if not already paid when booking.

1. Your dog is welcome on site but you are responsible for the behaviour of your dog at all times.
2. We do not allow on site any breed of dog listed under the Dangerous Dogs Act 1991*.
3. Keep your dog secured on your pitch whilst you are there, with a cage, or with a lead or tether no longer than 3 metres (10 feet), to ensure it cannot stray on to adjacent pitches or inconvenience other people.
4. Your dog is not allowed to be loose on site and must be kept on a lead (no longer than 3m) at all times.
5. Your dog should be exercised off site.
6. Do not let your dog foul the pitch or the site in any way. Should this be unavoidable, please clean up afterwards using a dog bag and place the waste into one of the lidded bins located around the site
7. Ensure your dog has access to shade and water at all times.
8. Make sure your dog does not disturb others by barking or other forms of anti-social canine behaviour. Be aware that not everyone else is as fond of your dog as you are, so please make sure it does not pester or jump up at people. Some may be allergic to dogs.
9. If it is deemed your dog is creating a nuisance or causing disturbance to others, you will be asked to remove your dog from the site. Local kennels are available (see below)
10. Except for assistance dogs, dogs are not allowed in the toilet/wash area, around or in the marquee or in the children's play area.
